

REMARKS

Claims 12 and 13 are pending in the present application. Reconsideration is respectfully requested for the following reasons.

Applicant would like to thank the Examiner for taking the time to discuss the present amendment on Wednesday, October 12. As discussed, Claim 12 is being amended to change "a time function element" to "a time delay unit." Such a change is a formal matter and is to make the language in Claim 12 consistent.

Applicant respectfully requests the Examiner to enter the present amendment to Claim 12.

Respectfully submitted,

  
Liane L. Churney
